

# 76° CONVEGNO SISVET

ELENCO POSTER

# AIPVET

1

**Comparison between hot spot fields and whole slide digital image analysis methods for the evaluation of immune cell infiltrates in a murine model of caerulein-induced acute pancreatitis**

*Bertola L., Canesi S., Pepe G., Dolce A., Scanziani E., Vegeto E., Ressel L., Recordati C.*

2

**Monoclonal antibody Cetuximab: a new promising therapy against invasive feline oral squamous cell carcinoma**

*Altamura G., Matrone A., Borzacchiello G.*

3

**Effects of ketoconazole and diethylstilbestrol on the uterus of 90-day-old rats after perinatal oral exposure: histological and immunohistochemical evaluation**

*Canesi S., Cappelleri A., Kossa M., Johansson H.K.L., Boberg J., Scanziani E., Recordati C.*

4

**Gross and histopathological findings in European hedgehogs in Piedmont region: preliminary data**

*Prandi I., Colombino E., Perotti M., Cardello M., Ippolito D., Vacchetta M., Bertolotti L., Tomassone L., Zanet S., Mauthe Von Degerfeld M., Quaranta G., Capucchio M.T.*

5

**Bilateral ovarian hamartoma in an aborted foal**

*Cuccato M., Bertuglia A., Bollo E., Scaglione F.E.*

6

**Massive infestation by *Taenia crassiceps* in a captive Lemur catta: first report in Italy**

*Cuccato M., Rubiola S., Rossi L., Piga S., Scaglione F.E.*

7

**Relation between post-mortem interval and RNA degradation in tissues of decomposed cats**

*Divari S., Pregel P., Ricci E., Ingriccini S., Ottonello E., Nicoletti A., Ressel L., Scaglione F.E.*

8

**Histiocytic sarcoma in a captive hybrid orangutan (*Pongo* sp.): morphological and immunohistochemical features**

*Galietta V., Fonti N., Cocumelli C., Raso C., Di Cerbo P., Parisi F., Bovi E., Parmigiani R., Friedrich K. G., Eleni C.*

9

**T-Cell Lymphoma in a roe deer (*Capreolus capreolus*): a case report**

*Ranucci A., Lepri E., Gobbi M., Manuali E., de Ferrari P., Ottone E., Brustenga L., Mandara M.T., D'Avino N.*

10

**Scoring ear lesions in slaughtered pigs: preliminary investigation**

*Sciota D., Rosamilia A., Marruchella G.*

11

**Cecal infarction in a Holstein Friesian calf**

*Spagnolo M., Negroni N., Marruchella G.*

12

**Blood exo-miRNAs in Bubaline alphaherpesvirus 1 affected Water buffaloes**

*Zamboni C., Dadi Y., Lecchi C., Cecilian F., Calogero R., Arigoni M., Cappelli G., Balestrieri A., Grassi C., Vecchio R., Galiero G., De Carlo E., Petrini S., Martucciello A.*

13

**Optimization of a canine osteosarcoma cell model for FGFRs translational pharmacology**

*Massimini M., Romanucci M., Alvarez C.E., De Maria R., Della Salda L.*

14

**Gross lesions and histological changes in an accidentally electrocuted cat**

*Cocco A., Merola C., Cantelmi M.C., Tieri E.E., Badagliacca P., D'Innocenzo V., Martino M., Rulli M., Tinelli A., Averaimo D., Defourny S.V.P., Petrini A., Di Teodoro G.*

15

**Granulomatous hepatitis in rainbow trout (*Oncorhynchus mykiss*) associated with the discovery of an unrecognized nidovirus**

*Orioles M., Eldar A., Karniely S., Berkowitz A., Salinas I., Volpatti D., Beraldo P., Galeotti M.*

16

**InfoFaunaFVG: a novel progressive web application for wildlife surveillance**

*Tomè P., Pesaro S., Orioles M., Pascotto E., Cadamuro A., Galeotti M.*

17

**Erythrocyte sedimentation rate (ESR) in dogs: frequency in routine clinical practice and possible pathogenic mechanisms**

*Paltrinieri S., Ferrari R., Tagliasacchi F., Diamanti D., Scavone D.*

18

**Hyaline glomerulopathy in mice: a histochemical and immunohistochemical study**

*Recchia M., Sabbioni L., Canesi S., Busnelli M., Colombo A., Franchi E., Recordati C., Scanziani E.*

19

**Calprotectin expression in canine hepatoid gland tumors and correlation with beta-catenin expression and macrophage cell infiltrate**

*Rifici C., Napoli E., Di Giorgio S., Giambrone G., Marino G., Mazzullo G., Sfacteria A.*

**20**

**Multi bacterial infections and pre-weaning piglet mortality in a Calabrian farm**

*Rifici C., Attili A.R., Alessi V.E., Puleo V., Scaramozzino C., Mannarino C., Foti F., Sfacteria A., Mazzullo G.*

**21**

**Extratesticular anaplastic carcinoma in a Mexican kingsnake (*Lampropeltis Mexicana*)**

*Rifici C., Spadola F., Villa A., Minniti S., Giambrone G., Rossi G., Mazzullo G.*

**22**

**Pathological findings in condemned pig carcasses: a large scale survey in a high-throughput Italian slaughterhouse**

*Rosamilia A., Capezzuto S., Base G., Cirasola M.V., Benedetti S., Pipistrelli M.V., Perri M., Marruchella G.*

**23**

**Bacterial investigation and somatic cell count cut off value in ewe subclinical mastitis**

*Montagnani M., Gasparoni E., Vichi F., Santini A., Pietrini R., Pacini M., Ciofi L., Galli T., Saralli G., Fichi G.*

**24**

**Polysaccharide storage myopathy1 occurrence in specific equine populations: preliminary results**

*Rosone F., Ricci I., Linardi B., Minniti C.A., Carvelli A., Manna G., Tilesi E., Conti R., Marcario G., Zini M., Tofani S., Scicluna M.T.*

**25**

**Anatomopathological investigations of non-experimentally induced seminomas in adult zebrafish**

*Tinelli A., Pugliese N., Leone R., Crescenzo G., Zizzadoro C., Perugini M., Amorena M., Caioni G., Merola C.*

**26**

**Effects of local anaesthetics on equine tenocytes and protective effects of Platelet-Rich Plasma (PRP)**

*Tognoloni A., Pellegrini M., Cagiola M., Di Salvo A., Sforza M., Nannarone S., Beccati F., Chiaradia E.*

**27**

**MiRNA profiles in dogs affected with Splenic Angiosarcoma**

*Zamboni C., Avallone G., Roccabianca P., De Matos L.G., Dadi Y., Valenti P., Cecilian F., Lecchi C.*

**28**

**Cytological recognition of keratinization patterns assists the preliminary diagnosis of canine hair follicle tumors and tumor like-lesions: assessment of diagnostic accuracy**

*Zamboni C., Ghisleni G., Caniatti M., Pirvu A.M., Dell'Aere S., Roccabianca P.*

## **AIMEVEM**

**29**

**A mysterious 1826 manuscript on equine and bovine anatomy and medicine**

*Farinelli A., Bo P., Zaghini A., Grandis A.*

**30**

**Historia magistra vitae. The meaning of a History of Veterinary Medicine course in a university study plan**

*Grandis A.*

## AIVI

31

**Antimicrobial susceptibility and prevalence of *Salmonella* spp. and commensal *Escherichia* spp. isolated from hunted wild boars and farmed pigs in Umbria**

*Di Giacinto G., Musa L., Ranucci D., Cai D., Toppi V., Spata N., Casagrande Proietti P.*

32

**The odor of *Bolinus brandaris* ed *Hexaplex trunculus* after harvesting: is it a marker of freshness?**

*Nalbone L., Cincotta F., Conduro C., Giarratana F., Panebianco A.*

33

**NIR Spectroscopy and Multivariate Data Analysis to Identify Illicit Conservation Treatments in Fresh Fish**

*Pennisi F., Esposito G., Benedetto A., Pezzolato M., Bozzetta E., Brizio P.*

34

**Buffalo milk cheeses produced with different coagulant: results of a preliminary study**

*Campagna M.C., Proietti A., Briganti P., D'Amici L., Manocchio A., Matterazzo A., Zottola T., Saralli G.*

35

**Validation of a Real-Time PCR for the detection of fish allergen in food samples**

*Cau S., Daga C., Spanu C., Giagnoni L., Pinna F., Soro B., Tedde T., Salza S., Melillo R., Piras G., Virgilio S., Vodret B., Mudadu A.G.*

36

**The use of DCC to identify intra-mammary infections in Sarda dairy sheep**

*Spanu C., Acciaro M., Decandia M., Cabiddu A., Molle G., Comunian R., Dupré I., Caredda M., Giovanetti V.*

37

**Comparison of legal provisions for veterinary drug residues in dairy products in Italy and Armenia**

*Visciano P., Haykanush A.*

38

**Assessment of dietary exposure to ochratoxin A related to its concentrations in different foods**

*Annunziata L., Campana G., De Massis M.R., Aloia R., Scortichini G., Visciano P.*

## AMV

39

**Tertiary Lymphoid Tissue in the lung: a single-cell characterization in young and aged mice**

*Ciccimarra R., Ragionieri L., Zoboli M., Gazza F., Cacchioli A., Stellari F., Ravanetti F.*

40

**Effect of oleuropein on induced senescence in canine skeletal muscle cells**

*Polacchini G., Colitti M.*

41

**Investigation on the presence and amounts of microtubule-associated proteins in rat glioblastoma C6 cells**

*Lepore G., Succu S., Zedda M., Farina V., Gadau S.D.*

42

**Brain aging in cultured sheep cortical neurons**

*Gadau S., Farina V., Zedda M., Succu S., Lepore G.*

43

**Glucoerucin diet supplementation determines adipose tissue histological changes in mice**

*Lazzarini G., Flori L., Pirone A., Lenzi C., Testai L., Calderone V., Miragliotta V.*

44

**Anterior Digestive Tract of Adult Nile Tilapia *Oreochromis niloticus*: morphological characterization**

*Scocco P., Palladino A., De Felice E., Attanasio C., Barone C.M.A., Crasto A., D'Angelo L., Giaquinto D., Lambiase C., Serrapica F., Maruccio L.*

45

**Osteogenesis dynamics during early development in the ovine species**

*Succu S., Contu E., Bebbere D., Gadau S.D., Falchi L., Nieddu S.M., Ledda S.*

## ANIV

46

**Evaluation of the presence of a urinary bladder bacterial community in cats with feline idiopathic cystitis (FIC) using culture-dependent and sequencing methods**

*Urbani L., Franzo G., Bano L., Segatore S., Rizzardi A., Cordioli B., Cornaggia M., Terrusi A., Dondi F., Balboni A., Battilani M.*

47

**PRRS viral detection versus resistance genetic profiles in pig livestock of Central Italy**

*Torricelli M., Fratto A., Ciullo M., Sebastiani C., Arcangeli C., Felici A., Giovannini S., Sarti F.M., Sensi M., Biagetti M.*

48

**Mastitis outbreak in a dairy sheep farm caused by *Streptococcus canis***

*Brundu D., Ghisu S., Antonietta L., Bassu M., Soddu M., Dore S., Bandino E.*

49

**Cat vaccination & antibody titration: a standard of care**

*Dall'Ara P.*

50

**Project TECHARE: Italian pilot on dairy sheep to test innovative technologies for welfare monitoring**

*Decandia M., Giovanetti V., Acciaro M., Manca C., Molle G., Spanu C., Martini F., Solinas A., Morgan-Davies C.*

51

**Recombinase polymerase amplification for the detection of equine herpesvirus type 1**

*Ferrara G., Iovane V., Rossi A., Pagnini U., Montagnaro S.*

52

**Preliminary data on the discrimination of bacillus anthracis vaccine strains from virulent ones by ir biotyper**

*Galante D., Serrecchia L., Rondinone V., Pace L., Fasanella A., Farina D., Aceti A., Iatarola M., Tolve F., Poppa E., Manzulli V.*

53

**First detection of swinepox virus in wild boar in Italy: gross and histopathologic findings**

*Lisa G., Varello K., Listorti V., Paletto S., Wolfsgruber L., Zoccola R., Montemurro V., Messana E., Bozzetta E., Acutis P., Masoero L., Razzuoli E.*

54

**Identification and antimicrobial resistance of bacteria from the wounds of stray dogs and cats before and after sterile physiological solution washing**

*Nocera F.P., Iovane V., Masullo A., Pizzano F., Di Palma C., Cappiello S., Pompameo M., Lamagna B., De Martino L.*

55

**Carriage of multidrug-resistant Gram-positive and Gram-negative bacteria in healthy stray dogs and cats**

*Masullo A., Pizzano F., Di Palma C., Cappiello S., Pompameo M., Lamagna B., De Martino L., Nocera F.P.*

56

**Susceptibility of monkey-derived, hamster-derived, porcine-derived continuous cell lines to ASFV strains of diverse virulence**

*Franzoni G., Mura L., Zinellu S., Bazzardi R., Dei Giudici S., Oggiano A.*

57

**Genotyping of Paslahepevirus balayani (Hepatitis E virus) spread in wild boars in the Emilia Romagna region, Italy**

*Ferretti F., Corradini C., Prezioso S.*

58

**The use of DCC to identify intra-mammary infections in Sarda dairy sheep**

*Spanu C., Acciaro M., Decandia M., Cabiddu A., Molle G., Comunian R., Duprè I., Caredda M., Giovanetti V.*

59

**IR-Biotyper and biomolecular methods: a new protocol for rapid characterization of Streptococcus suis serotypes**

*Zoccola R., Marra C., Gorla M., Zoppi S.*

## ARNA

60

**In vitro effect of two nutraceutical products on the modulation of canine intestinal microbiota and production of SCFAs**

*Belà B., Pignataro G., Fusaro I., Crisi P.E. Gramenzi A.*

61

**A case study on the utilization of Instagram as a powerful learning and disseminating tool**

*Cavallini D., Muca E., Buonaiuto G., Raspa F., Valle E., Ghiaccio F., Federiconi A., Silvestrelli S., Vettori J., Colleluori R., Formigoni A.*

62

**Food safety of products of animal origin: Toxic and Potentially Toxic Mineral Elements of Edible Gastropods Land Snails (Mediterranean Escargot)**

*De Maria L., Nava V., Vadalà R., Cicero N.*

63

**Effect of the dietary inclusion of former food products on subcutaneous adipose tissue and on serum metabolites in post-weaning piglets**

*Manoni M., Luciano A., Mazzoleni S., Ottoboni M., Tretola M., Pinotti L.*

## RNIV

64

### **Cytokines and immunoglobulin profile after melatonin treatment to pregnant ewes for coccidiosis control in their offspring**

*Ciliberti M.G., Bouroutzika E., Valasi I., Saratsis T., SaratsisAlbenzio M., della Malva A., di Corcia M., Santillo A., Marino R., Sevi A., Caroprese M.*

65

### **Development of a new inactivated oral vaccine against E. coli driven post weaning diarrhea in piglets**

*Clemente G.A., Amadori M., Archetti I.L., Rota Nodari S., Battioni F., D'incau M., Maisano A.M., Lorenzi V., Montagnin C., Inglesi A., Riva F., Bertocchi L., Fusi F.*

66

### **Genetic variation of the ORFV VIR gene in the islands of Sardinia and Cuba**

*Coradduzza E., Scarpa F., Cacciotto C., Fiori M.S., Rodriguez V.Y., De Pascale A.M., Azzena I., Casu M., Pintus D., Ligios C., Scagliarini A., Sanna D., Puggioni G.*

67

### **Evaluation of cell-mediate immune response in water buffaloes immunized with different marker vaccines and subsequently experimentally infected with Bubaline alphaherpesvirus 1**

*Grandoni F., De Matteis G., Napolitano F., Signorelli F., Cappelli G., Balestrieri A., Grassi C., De Donato I., Donniacuo A., Galiero G., De Carlo E., Petrini S., Martucciello A.*

68

### **Targeting Toll-like Receptor 2: polarization of porcine, equine, ovine monocyte-derived macrophages by three diverse synthetic diacylated lipopeptide**

*Franzoni G., Dei Giudici S., Dell'Anno F., Anfossi A.G., Mura L., De Ciucis C.G., Fruscione F., Zinellu S., Columbano N., Oggiano A., Chessa B. Razzuoli E.*

69

### **Biochemical and inflammatory profiles in lambs subject to two different tail docking techniques**

*Roccaro M., Pilo G.A., Peli A., Fresi S., Tedde G., Loi F.G., Franzoni G., Carta G., Secchi L., Nicolussi P.*

## SICLIMVET

67

**Quadracuspid aortic valve in a 16-year-old Quarter horse: clinical and echocardiographic findings**

*Caivano D., Cicogna M., Orvieto S., Spitale D., Porciello F.*

68

**Clinical findings and follow-up of suspected dysmyelinogenesis in a cane corso pup**

*Canal S., Rosto M., Del Signore F., Paolini A., Tamburro R., De Bonis A., Vignoli M.*

69

**The gastrointestinal stasis in dwarf rabbit**

*Capurso O.V.*

70

**Point Shear-Wave Elastography of normal canine spleen by linear and convex transducers: preliminary results**

*Caspanello T., Masucci M., De Majo M., Sinagra L., Zappone V., Santoro S., Iannelli N.M.*

71

**Unusual presentation of tricuspid valve endocarditis in a lamb: clinical, echocardiographic and postmortem findings**

*Cicogna M., Crociati M., Lepri E., Passamonti F., Sylla L., Barbetta A., Porciello F., Caivano D.*

72

**Correlation between taurine serum concentrations and echocardiographic features of systolic function in Golden retrievers**

*Ghilaridi S., Bagardi M., Zanchi F., Polli M., Minozzi G., Faverzani S., Locatelli C., Fusi E., Brambilla P.G.*

73

**First isolation of asinine  $\gamma$ -herpesvirus-5 (AsHV-5) in a donkey with pulmonary fibrosis in northern Italy**

*Imposimato I., Muscatello L., Ellero N., Lelli D., Mira F., Sarli G., Freccero F.*

74

**A case of hilar bronchial carcinoma in a dog**

*Maggi G., Tessadori M., Porciello F., Perrucca A.L., Caivano D., Marchesi M.C.*

75

**Medical management and positive outcome after prolonged recumbency in a case of Equid alphaherpesvirus-1 myeloencephalopathy**

*Mannini A., Ellero N., Imposimato I., Balboni A., Battilani M., Gialletti R., Freccero F.*

76

**Effect of first long term training on platelet aggregation, platelet function and nitric oxid in Thoroughbreds**

*Miglio A., Falcinelli E., Cappelli K., Mecocci S., Mezzasoma A.M., Gresele P., Antognoni M.T.*

**77**

**Urinary incontinence in spayed female dogs: a review**

*Rosace F., Caspanello T., Marino F., Iannelli D., Iannelli N.M., Masucci M.*

**78**

**Terapia multimodale in un mastocitoma metastatico**

*Sebastiani V.*

**79**

**Echocardiographic assessment of left ventricular function in the late pregnant mare: a pilot study**

*Timbò D'el Rey Dantas F., Perina F., Menchetti L., Castagnetti C., Mariella J., Cristofori C., Cipone M., Freccero F.*

**80**

**Serum protein electrophoresis in dogs with dirofilariasis: A pilot study**

*Valente C., Poser H., Guglielmini C., Romito G., Dondi F., Fasoli S., Leoncini R., Contiero B., Berlanda M.*

## SICV

81

**Life-threatening cranial tibial artery hemorrhage developing five days after tibial plateau leveling osteotomy in a dog**

*Bianchi A., Paolini A., Collivignarelli F., Vignoli M., De Bonis A., Canal S., Rosto M., del Signore F., Tamburro R.*

82

**Effects of low postoperative Total Plasma Protein on outcome and short-term complications in horses undergoing surgery for small intestinal lesions**

*Cerullo A., Giusto G., Dal Cero B., Gandini M.*

83

**Angular deviations of the carpus in foals: evaluation of two radiographic measurement protocols of the angles of deviation**

*De lasio C., Montano C., de Chiara M., Greco A., Coluccia P., Costanza D., Lamagna B., Pasolini M.P.*

84

**Hernioplasty with autologous flap; surgical treatment of umbilical hernias in livestock animals**

*Neve V.C., Costa G., Interlandi C., Spadaro A., Macrì F., Iannelli N.M., Spadola F.*

85

**A non-surgical approach to prolonged constipation in an Indian python (*Python molurus*)**

*Ottino C., Scandone L., Serpieri M., Bonaffini G., Prandi I., Quaranta G., von Degerfeld M.M.*

86

**Efficacy of the use of Asudyn® in the therapy of canine osteoarthritis. Prospective randomized blind pilot study. Preliminary results**

*Riccio V., Sassaroli S., Pennasilico L., Di Bella C., Piccionello A.P.*

87

**Transverse abdominal plane (TAP) block in rabbit cadavers: anatomical description and measurements of injectate spread using one- and two-point approaches**

*Serino F., Pennasilico L., Palumbo Piccionello A., Galosi M., Angorini A., Di Bella C.*

88

**A case of oral health problem in a geriatric camel (*Camelus bactrianus*) showing behavioral changes**

*De Benedictis G.M., Bono L., Fiore E., Tulini R., Zanusso F.*

89

**Severe abdominal distension associated with a paraovarian cyst in a guinea pig (*Cavia porcellus*)**

*Zanusso F., Rametta B., Ranieri V., Torrigiani F., Bellini L., Franzoso A., De Benedictis G.M.*

**130**

**Effects of low postoperative Total Plasma Protein on outcome and short-term complications in horses undergoing surgery for small intestinal lesions**

*Cerullo A., Dal Cero B., Gandini M., Gandini M.*

**131**

**Radiofrequency ablation in horses with chronic lameness pain: description of technique and case series**

*Amari M., Brioschi F.A., Ravasio G., Ferrari F., Rabbogliatti V.*

## SIFTVET

90

**Transcriptional biomarkers related to illicit Testosterone esters administration in pigs**

*Benedetto A., Stastny K., Giaccio N., Biasibetti E., Arigoni M., Calogero R., Pezzolato M., Martin F., Bozzetta E.*

91

**Statistical evaluation of suspected poisoning cases reported in Apulia and Basilicata between 2020 and 2022**

*Chirizzi D., Mercadante F., Catanzariti R., Carbotti G.*

92

**Novel antiinflammatory therapy for Intestinal Ischemic Reperfusion Injury and Endotoxemia**

*Arangia A., Gugliandolo E., Cuzzocrea S., Crupi R.*

93

**Subchronic oral exposure to polystyrene microplastic causes inflammation and alteration of antioxidant defense system in the liver of gilthead seabream (*Sparus aurata*)**

*Del Piano F., Lama A., Addeo N.F., Almorth B.C., Ferrante M.C.*

94

**Subcellular tissue-specific response of *Mytilus galloprovincialis* to fluoroquinolone antibiotics: a multi-biomarker approach to evaluate potential ecotoxicity in marine ecosystems**

*Giannessi J., De Marchi L., Meucci V., Intorre L., Monni G., Pretti C.*

95

**Analysis of cannabinoid receptors expressions and their role in inflammation involved in canine breast cancer**

*Marino Y., Molinari F., Crupi R., Cuzzocrea S., Gugliandolo E., Franco G.A.*

96

**Bioactivity of *phaeodactylum tricornutum* extract against chronic mieloid leukemia: an in vitro pilot study**

*Longobardi C., Damiano S., Montagnaro S., Lauritano C., Ciarcia R.*

97

**Mineral elements in *Xiphias gladius* from Strait of Messina and risks related to human health**

*Messina L., Bruno F., Lo Turco V., Litrenta F., Peritore A., Gugliandolo E., Crupi R., Licata P.*

## SIRA

98

**Expression of key enzymes remodeling m6A RNA methylation is altered during in vitro maturation of low competence sheep oocytes**

*Cosseddu C., Nieddu S.M., Succu S., Ledda S., Bebbere D.*

99

**Evaluation of the APGAR Score after anesthesia for C-section with methadone and alfaxalone: preliminary results**

*Ciribè F., Bucci R., Straccia L., Cudini A., Parrillo S., Robbe D., Carluccio A.*

99

**Innovative Surgical and Anaesthesiological Techniques for the orchietomy in Mouflons (*Ovis aries*) in the Field**

*Cicirelli V., Carbonari A., Burgio M., Aiudi G.G., Giannini F., Rizzo A.*

100

**Surgical management of penile prolapse in a domestic pig: A Case Report**

*Ferrulli V., Boccardo A., Giussani E., Pravettoni D., Fusi J.*

101

**Study about treatment of septic puerperal metritis in mares**

*Fischetti L., Lanci A., Perina F., Castagnetti C., Mariella J.*

102

**Isolation of mesenchymal stromal cells from cryopreserved wharton's jelly in the horse: preliminary results**

*Iacono E., Pezzotta A., Gugole P.M., Lanci A., Merlo B.*

103

**Ascorbic acid and trans-resveratrol: effects on casa parameters when added to the semen freezing extender for of italian holstein bulls used in a commercial program**

*Bertuzzo F., Gerratana S., Merlo B., Iacono E.*

132

**Monitoring of behavioral, hormonal and vaginal cytology aspects following contraceptive treatment in a group of Lemur catta in a controlled environment**

*Ponzio P., Imberti E., Bertero A., Piga S., Isaia V., Macchi E.*

## SOFIVET

104

### **First investigation on colostrum quality in autochthonous goat breeds of northern Italy**

*Agradi S., González-Cabrera M., Menchetti L., Argüello A., Hernández-Castellano L.E., Castro N., Salomone-Caballero M., Poquet-Blat P.M., Curone G., Faustini M., Vigo D., Brecchia G.*

105

### **Circadian variation in leucocytes and lymphocytes subpopulation blood horse: a preliminary study**

*Aragona F., Giannetto C., Arfuso F., Piccione G., Fazio F.*

106

### **Gene expression of Pregnancy-associated glycoproteins-1 (PAG-1) and Interferon stimulated genes (ISGs) during early pregnancy in buffalo cows**

*Casano A.B., Menchetti L., Trabalza-Marinucci M., Riva F., De Matteis G., Brecchia G., Inglesi A., Rossi E., Signorelli F., Barile V.L., Barbato O.*

107

### **A comparative study of single and group culture of cumulus-oocyte complexes from sheep early antral follicles**

*Ebrahimi M., Dattena M., Mara L., Pasciu V., Chessa F., Luciano A.M., Berlinguer F.*

108

### **Thyroid and Cortisol Response to Olive Cake Inclusion in Growing Fattening Limousines' Diet**

*La Fauci D., Bionda A., Fazio E., Lopreiato V., Chiofalo V., Liotta L.*

109

### **Gillnets bycatch affect population sex ratio in a North Sardinia Mediterranean Shag (*Gulosus aristotelis desmarestii*) population**

*Satta V., Pira A., Cherchi S., Nissardi S., Rotta A., Pirastu M., Mereu P., Zedda M., Bogliolo L., Naitana S., Leoni G.G.*

110

### **Can feathers be useful to analyze reproductive success in griffon colonies?**

*Rebula G., Frongia G.N., Naitana S., Pividori I., Peric T., Prandi A.*

111

### **Cyclic AMP efflux through MRP4 stimulates capacitation and fertilizing ability of pig spermatozoa**

*Spinaci M., Blanco-Prieto O., Ortiz-Rodriguez J.M., Bucci D.*

112

### **Autophagy effect on trophoblast cell functionality during early placenta development in sheep.**

*Viola I., Manenti I., Accornero P., Baratta M., Toschi P.*

## SOIPA

113

**Essential oils from Calabrian botanical species for the control of the honeybee parasite *Varroa destructor***

*Bava R., Castagna F., Palma E., Marrelli M., Conforti F., Musolino V., Carresi C., Lupia C., Ceniti C., Tilocca B., Roncada P., Britti D., Musella V.*

114

**The role of hunters in wildlife health surveillance: systematic review and meta-analysis of the scientific literature**

*Benatti F., Zanet S., Poncina M., Pasetto C., Chiari M., Sorrenti M., Ferroglio E.*

115

**High prevalence of *Hymenolepis (Rodentolepis) nana* in amateur breeding facilities of chinchillas (*Chinchilla lanigera*) and sugar gliders (*Petaurus breviceps*) from Italy**

*Brustenga L., Morganti G., Baldoni E., Deli G., Rigamonti G., Lucentini L., Diaferia M.*

116

**Further evidence of parasitic risks associated with translocation of fish: first report of *Philometroides sanguineus* (nematoda: philometridae) in goldfish (*Carassius auratus*) farmed in northern Italy**

*Pirollo T., Tedesco P., Cantori A., Caffara M., Tentoni E., Tarocchi L., Fioravanti M.L., Gustinelli A.*

117

**Preliminary trials on effectiveness of cold plasma treatments on *Candida albicans* biofilms**

*Bordoni T., Neretti G., Tedesco P., Luci V., Galuppi R.*

118

**Outbreak of cryptosporidiosis in water buffalo calves (*Bubalis bubalis*)**

*Dini F.M., Serraino A., Galuppi R., Poglayen G.*

119

**SEM characterization of red fox intestinal helminths**

*Tedesco P., Barbaro A., Luci V., Cantori A., Dini F.M., Galuppi R.*

120

**Development of a biosensor for the early diagnosis of *Nosema* spp.: a preliminary study**

*Mogliotti P., Garrone A., Guasco C., Gorla M., Zoccola R., Brusa F., Ghisellini P., Rando C., Garbati P., Eggenhoffner R.*

121

**Prevalence of *Neospora caninum* in bulk milk samples from dairy cattle herd in Ragusa area (Sicily)**

*Neve V.C., Salonia R., Antoci F., Cascone G., Salina F.*

122

**Urban *Dermanyssus gallinae* infestation in humans and the need of interactions between urban planners and public health operators**

*Puccini A., Barlaam A., Cafiero M.A., Giangaspero A.*

123

**Insights into diagnosis of liver and rumen flukes in cattle within the PREPARE4VBD EU project**

*Rinaldi L., Maurelli M.P., Bosco A., Ciuca L., Vitiello P., Cringoli G.*

124

**Bovine besnoitiosis (*Besnoitia besnoiti*) in a cattle farm in central Italy**

*Bruni G., Bosco A., D'Onofrio V., Eleni C., Iurescia M., Fichi G., Ragionieri G., Sorbara L., Maurelli M.P., Cringoli G., Rinaldi L., Saralli G.*

125

**Cryptosporidiosis in cattle dairy farms in Sardinia: trend of prevalence in suckling calves, weaned calves, lactating cows, dry cows and heifers**

*Scala A., Tamponi C., Stevanato L., Coghetto A., Carta C., Cavallo L., Porcu F., Ninnis F., Fahad A., Pentcheva P., Sini M.F., Varcasia A.*

126

**Human myiasis caused by *Oestrus ovis*: a questionnaire based survey on medical awareness and disease's management**

*Scala A., Tamponi C., Mignacca S., Carta C., Cavallo L., Porcu F., Nonnis F., Fahad A., Pentcheva P., Sini M.F., Coghetto A., Varcasia A.*

127

**Effects of gold compounds on *Toxoplasma gondii*: preliminary results of an in vitro study**

*Semeraro M., Boubaker G., Scaccaglia, M., Genchi M., Kramer L., Pelosi G., Bisceglie F., Vismarra A., Hemphill A.*

128

**Prevalence of anti-*Dirofilaria immitis* antibodies in cats from Italy**

*Semeraro M., Morchon R., Escolar I.R., Genchi M., Colombo L., Kramer L., Vismarra A.*

129

***Toxoplasma gondii* 20.23: serological survey in Central Italy pig farms and novel insights for genetic resistance studies**

*Torricelli M., Fratt A., Sebastiani C., Ciullo M., Panzieri C., Costarelli S., Torina A., Biagetti M.*
