

# 76° CONVEGNO SISVET

PROGRAMMA DETTAGLIATO

ORAL SOCIETÀ - SICV

## ORAL SOCIETÀ - SICV

**Sala Scuderia***Moderano:*

- **Prof.ssa Simonetta Citi**
- **Prof. Gerardo Fatone**

**14.30 - 14.45**

- *Crovace A.M., Girelli C.R., Imperante A., Monopoli D., Fanizzi F.F., Staffieri F.* **Lacitignola L.**

Metabolomics profile of knee synovial fluid after osteocondral scaffold implants in an ovine model

**14.45 - 15.00**

- *Bianchi A., Collivignarelli F., Paolini A., Vignoli M., De Bonis A., Canal S., Rosto M., del Signore F.,* **Tamburro R.**

Ex-vivo evaluation of the single pelvic osteotomy on the acetabular ventroversion in canine hip

**15.00 - 15.15**

- **Crovace A.M.**, *Monopoli A., Columbano N., Masala G., Romeo N.S., Berrel A., Monopoli D., Passino Sanna E.*

Patient specific implants (PSI) for bone and cartilage reconstructions in veterinary applications

**15.15 - 15.30**

- **Morrone S.**, *Scanu A., Masala G., Crovace A. M., Romeo S. M. T., Saderi L., Sotgiu G., Columbano N.*

Retrospective study of lameness in beef cattle in northeastern Sardinia, Italy

**15.30 - 15.45**

- **Angorini A.**, *Pilati N., Galosi M., Serino F., Troisi A., Palumbo Piccionello A., Di Bella C.*

Comparison of analgesic efficacy between intratesticular and intrafunicular infiltration of lidocaine in horses undergoing elective orchietomy

**15.45 - 16.00**

- **Giusto G.**, *Bellino C., Cerullo A., Ceppa A., Gandini M.*

Abdominal surgery under epidural anaesthesia in calves

### ORAL SOCIETÀ - SICV

16.00 - 16.15

- **Costa G.**, Licata P., Iannelli N. M., Iannelli D., Angileri V., Macrì F., Spadola F., Di Pietro S., De Paoli F., Leonardi F., Interlandi C.

Inflammatory oxidative stress induced by ovariectomy in dogs underwent perioperative analgesia with meloxicam: preliminary results

---

16.15 - 16.30

- Di Franco C., Bigi B. M., Bonafé E., Evangelista F., **Briganti A.**

Effects of intraoperative haemodynamic instability in dogs

---

16.30 - 16.45

- **Di Franco C.**, Flori C., Puccinelli C., Citi S., Briganti A.

Evaluation of ultrasound guided insertion of a reboa catheter in dogs: a cadaveric study

---

## ORAL SOCIETÀ - SICV

**Sala Scuderia***Moderano:*

- **Prof. Mauro Di Giancamillo**
- **Prof.ssa Angela Palumbo Piccionello**

08.30 - 8.45

▪ **Stabile M., Fracassi L., Lacitignola L., Crovace A., Staffieri F.**  
Effects of the canine monoclonal antibody anti-NGF (Bedinvetmab) on the mobility impairment in dog affected by severe osteoarthritis

08.45 - 9.00

▪ **Gariboldi E. M., Ubiali A., De Zani D., Ferrari R., Zani D.D., Auletta L., Grieco V., Giudice C., Recordati C., Stefanello D.**  
Superficial sentinel lymph node biopsy in 23 tumor-bearing dogs: pre- and intra-operative inpatient comparison between lymphoscintigraphy and near-infrared fluorescence

9.00 - 9.15

▪ **Bonaffini G., Serpieri M., Ottino C., Quaranta G., von Degerfeld M. M.**  
External skeletal fixation for treatment of hind limb fractures in nine feral pigeons (*Columba livia*)

9.15 - 9.30

▪ **Rosto M., Vignoli M., Aste G., De Bonis A., Pincelli C., Paolini A., Tamburro R., Bianchi A., Del Signore F.**  
Evaluation of shear wave elastography to assess canine lens stiffness in aging subjects and in case of cataract

9.30 - 9.45

▪ **De Zani D., Bassi J., Rabbogliatti V., Longo M., Zani D.D.**  
Diagnostic imaging findings of subchondral bone pathology in dogs with occult forelimb lameness

9.45 - 10.00

▪ **Guadalupi M., Monopoli A., Vicenti C., Stabile M., Lacitignola L., Staffieri F., Crovace A.M.**  
Pressure sensitive walkway system for evaluation of lameness in dogs affected by unilateral cranial cruciate ligament rupture treated with porous tibial tuberosity advancement

10.00 - 10-15

▪ **Piemontese C., Stabile M., Di Bella C., Scardia A., Vicenti C., Acquafredda C., Lacitignola L., Crovace A., Staffieri F.**  
Use of pulse-oximetry to detect the incidence of postoperative hypoxemia in dogs recovering from general anesthesia

## ORAL SOCIETÀ - SICV

10.15 - 10.30

- **Serpieri M., Cerullo A., Bonaffini G., Quaranta G., von Degerfeld M.M.**  
Injectable anesthesia with Ketamine, Medetomidine, and Butorphanol in rats

## Sala Scuderia

Moderano:

- **Prof. Giacomo Gnudi**
- **Prof. Antonio Crovace**

16.30 - 16.45

- **Rabbogliatti V., Brioschi F.A., Di Cesare F., Auletta L., Zani D.D., De Zani D., Ravasio G., Amari M.**

Clinical comparison between intravenous constant rate infusion and repeated subcutaneous or intramuscular injection of dexmedetomidine in anaesthetized horses: preliminary investigation

16.45 - 17.00

- **Interlandi C., Macrì F., Angileri V., Di Pietro S., Spadola F., Iannelli N.M., Costa G.L.**

Effects of cisatracurium in cats undergoing orthopedic surgery anaesthetised with sevoflurane

17.00 - 17.15

- **Lambertini C., Romagnoli N., Ballotta G., Iovine I.C., Spaccini F., Cunto M., Zambelli D.**

Retrospective evaluation of alfaxalone or propofol used for anaesthesia induction in cats undergoing emergency caesarean section

17.15 - 17.30

- **Romeo S.M.T., Morrone S., Akl T., Crovace A.M., Scanu A., Columbano N.**  
Sutureless Technique for Surgical Castration in Adult Boars: A Feasibility Study

17.15 - 17.30

- **Sassaroli S., Salvaggio A., Roggiolani F., Di Bella C., Pennasilico L., Palumbo Piccionello A.**

Evaluation of the radiographic bone healing after tibial plateau levelling osteotomy with or without elevation of popliteal muscle from the caudo-medial aspect of the tibia. A preliminary study

17.30 - 17.45

- **Costanza D., Greco A., Castiello E., Piantedosi D., Coluccia P., Meomartino L.**  
The heart to single vertebra ratio (HSVR) in cats: preliminary results

## Sala Scuderia

18.00 - 19.00

ASSEMBLEA SOCI SICV

## ORAL SOCIETÀ - SICV

**Sala Scuderia***Moderano:*

- **Prof. Stefano Romussi**
- **Prof. Eraldo Sanna Passino**

**08.30 - 08.45**

▪ *Galosi M., Troisi A., Serino F., Angorini A., Palumbo Piccionello A., Di Bella C.*  
Evaluation of the analgesic efficacy of intraoperative ovarian splash block compared to preoperative us-guided infiltration of lidocaine in cats undergoing ovariectomy

**08.45 - 09.00**

▪ *Romagnoli N., Lambertini C., Casalini I., Spadari A.*  
Comparison of the use of ketamine/diazepam and tiletamine/zolazepam for the induction in horses undergoing general anaesthesia: a retrospective study

**09.00 - 09.15**

▪ **Loi S.**, *Cubeddu F., Crovace A. M., Romeo S. M. T., Morrone S., Careddu G. M., Columbano N.*  
Comparison of induction, maintenance and recovery of Desflurane versus Sevoflurane in ball pythons (*Python regius*) under diagnostic procedures

**09.15 - 09.30**

▪ **Bandera L.**, *Straticò P., Di Nunzio L., Celani G., Guerri G., Varasano V., Petrizzi L.*  
LED phototherapy in the management of surgical wounds healing by secondary intention in seven horses

**09.30 - 09.45**

▪ *Bianchi A., Bussadori R., Bongiovanni L., Collivignarelli F., Teofani M., Paolini A., Tamburro R.*  
Histomorphological evaluation of thermal injury following palatoplasty performed with CO2 laser or LigaSure device in dogs with brachycephalic airway obstructive syndrome

**09.45 - 10.00**

▪ **Del Signore F.**, *Febo E., Bernabò N., De Bonis A., Rosto M., Paolini A., Bianchi A., Tamburro R., Vignoli M.*  
B-mode and strain elastography characteristics of benign vs malignant mesenteric lymph nodes in cats: an update

## ORAL SOCIETÀ - SICV

**Sala Scuderia***Moderano:*

- **Prof. Alessandro Spadari**
- **Prof.ssa Giulia De Benedictis**

10.30 - 10.45

- **Paolini A., Santoro F., Bianchi A., Tamburro R., Parrillo S., Di Giosia A., Carluccio A., Collivignarelli F., Ristori C., Del Signore F., Bucci R., Costanzini G., Vignoli M.**

Use of quadratus lumborum block in queens undergoing ovariectomy: A Randomized Controlled Trial

10.45 - 11.00

- **Paolini A., Bianchi A., Crisi P., Giordano M.V., Vignoli M., Collivignarelli F., Ristori C., Canal S., Del Signore F., De Bonis A., Rosto M., Tamburro R.**

Effects of premedication with butorphanol or dexmedetomidine butorphanol on ease of endoscopic duodenal intubation in dogs

11.00 - 11.15

- **Scardia A., Stabile M., Lacitignola L., Stasi A., Franzin R., Crovace A.M., Staffieri F.**

Hemodynamic, respiratory and lung aeration effects of dexmedetomidine infusion in an experimental model of septic shock

11.15 - 11.30

- **Di Bella C., D'Urso Elisa S., Selleri P., Angorini A., Bersanetti G., Galosi M., Martorelli M., Serino F., Palumbo Piccionello A.**

Effect of three different tidal volume on lung aeration, gas exchange and respiratory function in anesthetized and mechanical ventilated rabbits

11.30 - 11.45

- **Aragosa F., Caterino C., Della Valle G., Piscitelli A., Navas L., Lamagna F., Fatone G.**

Evaluation of the effects of autologous leucocyte and platelet-rich fibrin membranes in the treatment of delayed healing wounds

11.45 - 12.00

- **Di Palma C., Micieli F., Straziuso F., Levionnois O., Spadavecchia C., Mirra A.**
- Errors and critical incidents in Veterinary Anesthesia: analysis of risk factors at the University Teaching Hospital of Bern

12.00 - 12.15

- **Ferrari F., Auletta L., Giudice C., Grieco V., Gariboldi E.M., Ubiali A., Rusconi L., Romussi S.**

Evaluation of the role of clinical and histological variables on the predictability of rectal ectasia resolution and recurrence after surgical correction of perineal hernia in dogs

## ORAL SOCIETÀ - SICV

12.15 - 12.30

- *Spadari A., Forni G., Indio V., Marzari F., De Cesare A., Rinnovati R.*  
Preliminary evaluation of hind gut microbiota in horses operated for colic

12.30 - 12.45

- *Della Valle G., Alterisio M.C. Guccione J., Caterino C., Aragosa F., Ferrara G., De Biase D., Ciaramella P., Fatone G.*  
Leukocytes-Platelets Rich Fibrin preparation method: protocol standardization, macroscopic and histologic evaluations, and Growth Factors assessment in dairy cows

12.45 - 13.00

- *Pennasilico L., Volta A., Di Bella C., Riccio V., Sassaroli S., Palumbo Piccionello A.*  
Radiographic, ultrasonographic and elastosonographic medium/long term evaluations of patellar ligament after tibial plateau levelling osteotomy in dogs

13.00 - 13.15

- *Puccinelli C., Vezzosi T., Pedrelli C., Domenech O., Auriemma E., Diana A., Tognetti R., Citi S.*  
Radiographic findings in dogs with patent ductus arteriosus: left-to-right, right-to-left and bidirectional shunt

13.15 - 13.30

- *Puccinelli C., Lippi I., Pelligra T. Citi S.*  
Prognostic value of contrast-enhanced ultrasound (CEUS) in dogs with acute renal injury (AKI) undergoing hemodialysis therapy

**Sala Scuderia***Moderano:*

- **Prof. Luca Lacitignola**
- **Prof. Antonello Bufalari**

17.00 - 17.15

- *Vullo C., Biondi V., Bifarella M., Monti S., Catone G.*  
Evaluation of sedation for standing Magnetic Resonance Imaging (MRI) in horses using a romifidine or detomidine Continuous Rate Infusion (CRI) combined with morphine: preliminary results.

17.15 - 17.30

- *Vicenti C., Romagnoli N., Stabile M., Scardia A., Piemontese C., Guadalupi M., Lacitignola L., Crovace A., Staffieri F.*  
Plethysmographic variability index as intraoperative fluid therapy guide in dogs

## ORAL SOCIETÀ - SICV

17.30 - 17.45

▪ *Zanusso F., De Benedictis G.M., Bellini L.*

Oxygen Reserve index to early detect desaturation in apneic dogs

17.45 - 18.00

▪ *Micieli F., Di Palma C., Mirra A., Santangelo B., Minichino A., Otero P.E.*Ultrasound-guided sciatic and femoral nerve blocks in common kestrels (*Falco tinnunculus*): a cadaveric study

18.00 - 18.15

▪ *Montano C., Crisci A., de Chiara M., De Biase D., Maurelli M.P., Lamagna B., Del Prete C., Pasolini M.P.*

Effect of the medium platelet volume (mpv) and platelet count (pc) ratio on size and cell content of the advanced platelet rich fibrin (a-prf) in the horse

18.15 - 18.30

▪ *Nocera I., Bonelli F., Nardi S., West G.A., Barsotti G.*

Ocular abnormalities in friesian calves from birth to four week of age: preliminary results

18.30 - 18.45

▪ *Pilati N., Palumbo Piccionello A., Di Bella C., Accorroni L., Puccetti M., Beccati F.*

Serratus cervicis ventralis and serratus toracis ventralis muscles tears in endurance horses: clinical features, diagnostic findings and outcome in 11 cases

18.45 - 19.00

▪ *Moretti G., Dentini A., Beccati F., Di Meo A., Di Matteo I., Giovannini G., Amato L., Bufalari A.*

Electrochemotherapy as monotherapy or intraoperative electrochemotherapy compared to surgery treatment in canine soft tissue sarcoma: a retrospective study
